**Re: Trinity Baptist Kids – VBS 2009**

Thank you for the offering that you all picked up during your Vacation Bible School for us and the work that God is doing in South Texas. The money you sent us helped us go to Gallup, New Mexico and share the Good News of Jesus with Navajo Indian children. 16 of them gave their lives to Jesus. God is going to Bless each of you for raising this money for us and His Kingdom Work! We love each of you very much. Please keep us in your prayers, we will do the same.

We hope that you enjoy the pictures. We look forward to seeing you again soon.

Above is a picture of Twin Lakes Baptist Church and below is a picture of the van that we traveled to New Mexico in. The Van was given to us by Trinity.

Below are pictures of some of the Navajo Children that we shared Jesus with and some of the children that helped us with VBS from Cornerstone Baptist Church and A New Beginning Baptist Church.

Because of Him,
